

Shrubs for Shade

Here's my plant list from the talk I gave at the Northwest Flower & Garden Show, February 20. I start with full shade, and move toward sun. Let me know if you have any questions.

Sarcococca confusa (winter box)

Aucuba 'Picturata' (gold dust shrub)

x *Fatsyhedera lizei* 'Annemieke'

Skimmia japonica

Kirengeshoma palmata

Leucothoe fontanesiana 'Rainbow'

Azara microphylla

Camellia sasanqua 'Setsugekka'

Hydrangea quercifolia

Hydrangea macrophylla 'Ayesha'

Hydrangea arborescens 'Annabelle'

Corylopsis pauciflora (buttercup winter hazel)

Nandina 'Plum Passion'

Nandina 'Gulf Stream'

Lonicera pileata (privet honeysuckle)

Fuchsia 'Hawkshead'

Pittosporum tenuifolium 'Irene Paterson'

P. t. 'Golf Ball'

P. t. 'Marjorie Channon'

Chamaecyparis obtusa 'Pygamea Aurescens' (Hinoki cypress cv.)

Cornus alternifolia 'Argentea' (variegated pagoda dogwood)

Rhamnus alaternus 'Argenteovariegata' (variegated Italian buckthorn)

Fothergilla gardenii

Sambucus nigra f. *laciniata* (cutleaf elderberry)

Drimys lanceolata (mountain pepper)

Ilex crenata 'Convexa' (Japanese holly)

Mahonia 'Winter Sun'

Magnolia wilsonii

Osmanthus heterophyllus 'Variegatus' (holly-leaved osmanthus)

Podocarpus nivalis (alpine totara)

Abelia 'Edward Goucher'
